

Name: Krasimir Petrov Velikov

Academic status and scientific degree: Chief Assistant, PhD

Scientific field of activity: Animal breeding, biology and biotechnology of reproduction, rabbit breeding.

Curriculum Vitae (CV): 2004- graduated Thracian University in Stara Zagora, “Master of Veterinary Medicine”

2009-2019 - assistant in the Department of „Special branches – rabbit breeding”, the Institute of animal science – Kostinbrod”, Kostinbrod, Sofia.

2017 - PhD-thesis: “A study of the effectiveness of various methods for optimization reproductive and productive performance in Californian and White New Zealand rabbit does”

2019 – 03. 2020 - assistant, in the Department „Poultry and Rabbit Breeding and Technologies”, Agricultural Institute, Stara Zagora

Since 03. 2020 - Chief assistant, in the Department „Poultry and Rabbit Breeding and Technologies”, Agricultural Institute, Stara Zagora

e-mail: sherry_bg@abv.bg
